After signing in or creating your sign-in profile, you will come to Sign Up To Start Fundraising.

[Your Fundraising Story \(English\)](#)

Rich text editor with formatting options (Bold, Italic, Underline, Link, Unlink, Paragraph, Bulleted List, Numbered List, Indent, Outdent, Undo, Redo).

Create your Page Title, starting with your full name – this will help us attribute cash and cheque donations to your fundraising total.

Enter the Activation Code, and choose a fundraising goal for yourself. There is no minimum, and you can change this total at any time during your fundraising.

Go through the display options for your page, then write Your Fundraising Story: this can be as detailed or as brief as you like. Give potential donors an explanation as to why you are taking part, and encourage them to help you reach your goal. Once done, submit the form.

You can make your page more interesting by uploading pictures of yourself, or your team if applicable. You can add or edit this page anytime. Skip this step if you do not want to add pictures.

Finally, your page is complete! A pencil icon near the title at the top allows you to edit your page if you feel the need.

Use the icons to share your page directly to Facebook, Twitter, Email and more. You can also copy the URL and share it in other social media.

Let your friends and family know you are fundraising and what your personal goal is. Ask them to give whatever they can, and encourage them to click Donate to Me on your page to use credit card. Note, cash or cheque donations (made out to St. John's Anglican Church) should be taken to the church office. Ensure they indicate The Long, Long Night of Hope and your name.

If you have any questions while you are registering, please email us at LongLongNightofHope@gmail.com. We respond 7-days a week, usually within a couple of hours.
